

Interclub Racing Guidelines

December 9, 2026

Overview

The objectives of the Berkshire Interclub program are to provide an introduction to ski racing in a fun and supportive environment, encourage training over racing, and limit travel time and equipment expense.

Racing will follow the current Alpine Competition Rules of U.S. Ski and Snowboard

The recommended entry fee is \$60, and each host may offer their members a club discount for any amount.

Clubs

Berkshire East, Bousquet, Butternut, Catamount, Jiminy Peak, Mohawk, Otis
Each of the 7 clubs will host one race per season

Race Schedule

There will be 3 Interclub races (2 GS, 1 Stubbie SL) for each club with 3-4 clubs participating, plus the Interclub Finals for all clubs. The first club shown in **BOLD** is the host:

Rankings/Awards

Rankings by YOB, with awards for top 5 in each of these 7 classes: Ages 7 & under, 8, 9, 10, 11, 12, 13 & older
The 3 trophies for the podium are purchased by the host venue, plus 2 medals for 4th/5th provided by Tri-State.
Hosts will need to provide at least 42 trophies, and will receive 28 medals from Greg and be invoiced for the cost.

Participation in Tri-State Races

Interclub racers may enter one designated Tri-State qualifying race per season, subject to both home club coach recommendation and host venue permission due to field sizes. Any additional Tri-State racing will result in ineligibility for Interclub races or awards.

U10 Festival (Mohawk, Mar 8)

This event is open to all Interclub U10 racers (ages 8 or 9 only), but conflicts with the Interclub Finals race.

U12 Championships (Mohawk/MTSO, 3/7-8)

In addition to the one Tri-State race rule above, the TSASRA U12 Finals are open by invitation to one U12 racer per gender from each club. A coach or director should provide their names to the Youth Committee Chair at least one week prior to the event, and racer families may register in the normal manner. This race will be a choice of either U12 Championships or Interclub Finals being held the same weekend.
